COSC 1P02
Assignment 1 Rubric

Name: ___Dhairya Jaiswal_____   Student #: ___dj17vi_____

	Complete	**Partial**	**Limited**	**Value**
Standards: Comments, Variable Dictionary, Indentation, Naming				
	NR – Marks will be assessed for this part in subsequent assignments			
Programming standards are applied	All standards present and consistent	Some standards missing or inconsistent	No attention to standards	
Correctness:				
	1	**0.5**	**0**	
Part A: Produces required output	Produces required image.	Produces some parts of the image.	Output not related to problem.	1
	1	**0.5**	**0**	
Part B: Produces required output	Produces required image.	Produces some parts of the image.	Output not related to problem.	1
	1	**0.5**	**0**	
Part C: Produces required output	Produces required image.	Produces some parts of the image.	Output not related to problem.	1

(over)

Mechanics:				
Part A: **Uses required methodology**	Sequential code is necessary. No marks allocated.			
	2	**1**	**0.5**	
Part B: **Uses required methodology**	Uses composition via nesting. Centers series. -0.5	Uses loping but not nesting or centering incorrect.	Uses sequential code and not centered.	1.5
	2	**1**	**0.5**	
Part C: **Uses required methodology**	Uses composition via nesting. Centers frame. -0.5	Uses loping but not nesting or centering incorrect.	Uses sequential code and not centered.	1.5
Submission:				
	NR – Marks will be assessed for this part in subsequent assignments			
Submission requirements fulfilled	Complete submission with all required parts and executable code.	Some parts of submission are missing.	Only code submitted but no output or executable.	
			Late Penalty (-1.5)	
			Total (/7)	6
